ONEPATH® START FORM: AUTHORIZATION FOR ONEPATH SERVICES

FAX PAGES 1 AND 3 TO 1-833-388-5467 PHONE: 1-866-888-0660

INSTRUCTIONS FOR COMPLETION OF FORM

1 Prescribing Physician

2 Patient Information

and Diagnosis/Medical Assessment

- · Fill out completely
- Do not submit to Takeda any documentation of labs, clinical history, or other documents supporting the prior authorization process

5 GAMMAGARD LIQUID Prescription, Training Request/Waiver, and Prescribing Physician Signature

- · Please indicate the number of refills
- Available to SCIG patients only: Check the appropriate box to specify whether you would like your patient to be trained by Takeda on self-administration or whether training has already occurred
- This is a prescription; a physician's signature and date are required

Infusion Rates for Intravenous Administration

Initial	0.5 mL/kg/hr (0.8 mg/kg/min) for 30 minutes
Maintenance	Increase every 30 minutes (if tolerated) up to 5 mL/kg/hr (8 mg/kg/min)

Infusion Rates for Subcutaneous Administration

	40 kg BW and greater	Under 40 kg BW
Initial	30 mL/site at a rate of 20 mL/hr/site	20 mL/site at a rate of 15 mL/hr/site
Maintena	30 mL/site at a rate of 20 to 30 mL/hr/site	20 mL/site at a rate of 15 to 20 mL/hr/site

6 Patient Authorization to Share Personal Health Information and OnePath Enrollment

- The patient signature is required to allow personal health information to be shared by third parties to Takeda to facilitate access to GAMMAGARD LIQUID (insurance benefits, self-administration training [available to SCIG patients only], transfer Rx to specialty pharmacy provider, etc)
- · Checking the OnePath Enrollment box allows patients to receive product support services from Takeda, if eligible
 - · Benefits investigation
 - Infusion training (if applicable, available to SCIG patients only)
 - · Co-pay support (when applicable) and information about third-party financial assistance programs, as necessary
 - Enrollment in OnePath—Patient Support Manager assignment and product support services

Fax pages 1 and 3 to 1-833-388-5467

• Attach a copy of the patient's insurance card

WHAT HAPPENS NEXT?

- Once the completed form has been submitted to OnePath®, a dedicated Patient Support Manager will be assigned to your eligible patient
- The Patient Support Manager will contact the patient directly to inform him or her of the services available through OnePath and to begin the insurance verification process
- The Patient Support Manager will work with the insurance company to determine insurance benefits
- . OnePath will assess the patient's eligibility for co-pay support (when applicable) and provide information about third-party financial assistance programs, as necessary
- Available to SCIG patients only: If requested, the Patient Support Manager will set up Takeda-provided self-administration training services

INDICATION AND IMPORTANT SAFETY INFORMATION

GAMMAGARD LIQUID is indicated as replacement therapy for primary humoral immunodeficiency (PI) in adult and pediatric patients ≥2 years.

WARNING: THROMBOSIS, RENAL DYSFUNCTION, and ACUTE RENAL FAILURE

- Thrombosis may occur with immune globulin (IG) products, including GAMMAGARD LIQUID. Risk factors may include advanced age, prolonged
 immobilization, hypercoagulable conditions, history of venous or arterial thrombosis, use of estrogens, indwelling vascular catheters, hyperviscosity,
 and cardiovascular risk factors. Thrombosis may occur in the absence of known risk factors.
- Renal dysfunction, acute renal failure, osmotic nephrosis, and death may occur in predisposed patients with immune globulin intravenous (IGIV)
 products. Patients predisposed to renal dysfunction include those with any degree of pre-existing renal insufficiency, diabetes mellitus, age greater
 than 65, volume depletion, sepsis, paraproteinemia, or patients receiving known nephrotoxic drugs. Renal dysfunction and acute renal failure occur
 more commonly in patients receiving IGIV products containing sucrose. GAMMAGARD LIQUID does not contain sucrose.
- For patients at risk of thrombosis, administer GAMMAGARD LIQUID at the minimum dose and infusion rate practicable. Ensure adequate hydration in patients before administration. Monitor for signs and symptoms of thrombosis and assess blood viscosity in patients at risk of hyperviscosity.

Contraindications

- History of anaphylactic or severe systemic hypersensitivity reactions to human IG
- IgA-deficient patients with antibodies to IgA and a history of hypersensitivity to human IG. Anaphylaxis has been reported with intravenous (IV) use of GAMMAGARD LIQUID.

Warnings and Precautions

See Full Prescribing Information for Warnings and Precautions for: Hypersensitivity, Renal Dysfunction/Failure, Hyperproteinemia, increased serum viscosity, and hyponatremia, Thrombosis, Aseptic Meningitis Syndrome, Hemolysis, Transfusion-Related Acute Lung Injury, Transmittable Infectious Agents, and Interference with Lab Tests.

Adverse Reactions

IV administration for PI: The serious adverse reaction seen during IV clinical studies was aseptic meningitis. The most common adverse reactions observed in ≥5% of subjects were headache, fatigue, pyrexia, nausea, chills, rigors, pain in extremity, diarrhea, migraine, dizziness, vomiting, cough, urticaria, asthma, pharyngolaryngeal pain, rash, arthralgia, myalgia, oedema peripheral, pruritus, and cardiac murmur.

<u>Subcutaneous administration for PI</u>: The most common adverse reactions observed in ≥5% of subjects were infusion site (local) event (rash, erythema, edema, hemorrhage, and irritation), headache, fatigue, heart rate increased, pyrexia, abdominal pain upper, nausea, vomiting, asthma, blood pressure systolic increased, diarrhea, ear pain, aphthous stomatitis, migraine, oropharyngeal pain, and pain in extremity.

6 Patient Authorization to Share Personal Health Information and OnePath Enrollment

I authorize any health plan, physician, health care professional, hospital, clinic, pharmacy provider or other health care provider (collectively, "Providers") to disclose my protected health information, including personal information relating to my medical condition, treatment, care management, and health insurance, as well as all information provided on this form and any prescription ("Information"), to Takeda Pharmaceutical Company Limited, its affiliates and their representatives, agents, and contractors (collectively, the "Company" or "Takeda") in connection with the Company's provision of products, supplies, or services. I understand the Company will provide this Information to a specialty pharmacy to fulfill the prescription. This Information may also be used for internal uses by the Company, including data analysis.

Further, the Company may use this Information for OnePath Product Support Services (if I agree below) such as verification of insurance benefits and drug coverage, prior authorization support, financial assistance with co-pays, patient assistance programs, alternate funding sources, other related programs, communication with me or my prescribing physician by mail, email, or telephone about my medical condition, treatment, care management, product information and health insurance.

Additionally, if I check the box below regarding marketing communications, I authorize the Company to use and disclose my Information to send marketing materials to me (as described below).

I understand that once disclosed to the Company, my Personal Health Information disclosed under this Authorization may no longer be protected by federal privacy law, including HIPAA. I understand that I am entitled to a copy of this Authorization. I understand that I may cancel this Authorization at any time by sending written notice of revocation to OnePath, 300 Shire Way, Lexington, MA 02421. I understand that such revocation will not apply to any information already used or disclosed through this Authorization. This Authorization will expire within five (5) years from today's date, unless a shorter period is provided for by state law. I understand that I may refuse to sign this Authorization and that refusing to sign this Authorization will not change the way my physician, health insurance, and pharmacy providers treat me. I also understand that if I do not sign this Authorization, I will not be able to receive OnePath Product Support Program products, supplies, or services.
